Camp Information and Registration

Mission Statement: Camp Grandview is about developing respect, teamwork, character, and self-esteem so that each child can reach for their personal best. At Camp Grandview, we encourage each camper to live an active lifestyle by making healthy decisions for the mind and body.

What We Offer

Camp Grandview offers a structured, health-centered day camp experience for children ages 3 - 14. The typical day experience begins with a Morning Wake-Up Workout for all ages. Campers then spend the day with a rotation of classes including music, Tae Kwon Do, arts & crafts, sports, skating, swimming, and much more!

Better Food Choices

Camp Grandview offers healthy, nutritious snacks and lunches for campers because eating healthy food increases energy levels and provides nutrients for a strong immune system.

Summer Learning

Throughout the summer, our campers are exposed to classes that nurture their minds and creative imaginations. Campers take music, arts & crafts, and science classes every day, with weekly themes including topics in health, fitness, and the environment.

Games for Everyone

Campers are exposed to a variety of sports and fitness activities including basketball, baseball, kickball, volleyball, pin dodgeball, flag football, soccer, frisbee football, and more. Campers also participate in fun games that promote fitness such as capture the flag, freeze dance, and color tag. Fitness is fun at Camp Grandview!
