

GRANDVIEW PRIVATE LESSONS IN PIANO AND VOICE

The Grandview Private Lesson Program is by audition only and will include students who already show proficiency in piano and/or voice. Piano students who are beginning their study should consider taking the Beginning Piano Lab course provided by Mr. Yannette which does not require an initial audition. It is a fun and engaging alternative to private piano lessons. The program is open to 3rd through 12th grade students who are interested in a deeper study of music than is provided by the beginning lab classes or other choral ensembles at Grandview. The students have the option of focusing their training in any music style in which they may be interested.

Grandview provides a very unique opportunity to be able to take private lessons during the school day. Mr. Yannette will schedule the lessons during a time when the students will not be taken away from their academic schedule. Upon receipt of the attached registration form, parents and students will be notified of the available day/time in which the lesson will take place. The lessons will begin the first week of October, and will end the last week of May. Families participating in the Private Lesson Program will be required to pay the tuition due for the lessons, as outlined on the registration form. If you have any questions, please contact Mr. Yannette, Music Department Director, at MYannette@grandviewprep.net.

Private Lesson Program 2011-2012

Registration Form

The Grandview Music Department Private Lesson Program tuition rate is **\$1125** and includes one private lesson per week, during the school day, for 25 sessions. The lessons will begin the first week of October, and will end the last week of May. Please sign up by October 1st to secure the “Early Bird” tuition rate of \$45 per lesson.

After October 1st, the tuition will increase to the regular Private Lesson rate of \$50.00 per lesson, and the tuition will be pro-rated for the remaining number of lessons.

Provided that my child has auditioned, and has been chosen to participate in the Private Lesson Program, I agree to pay the additional tuition due for private voice and piano lessons for the 2011-2012 school year. Because a specific time and day of the week is set up for your student’s lesson, make-up lessons will not be provided due to absences. It is important that students come to school on the day of their lesson. Make-up days will be provided in the last two months of school to make-up a maximum of 2 private lessons unless another time has been previously set up between the student/parent and instructor. I further understand that no reimbursement will be made should I decide to discontinue my child’s lessons at any time during the 2011-2012 school year.
