

Grandview Dance Academy

Private Lesson Program 2011-2012

The Grandview Dance Academy's Private Lesson Program provides a unique opportunity for students to pursue their goals in dance. The program is by audition only, and is open to 5th through 12th grade students who are interested in furthering their dance training. The students have the option of focusing their training in ballet, jazz, modern, or musical theatre dance.

Ms. Petronio will schedule the lessons, which will take place during the school day. Please note that the student will not miss any academic time for their Private Lesson. Upon receipt of the attached registration form, parents and students will be notified of the available day/time in which the lesson will take place. The lessons will begin the first week of October, and will end the last week of May. Families participating in the Private Lesson Program will be required to pay the tuition due for the lessons, as outlined on the registration form.

If you have any questions, please contact Ms. Petronio, Director of Dance Academy, at kpetronio@grandviewprep.net.
