Academic Philosophy

Mission

Grandview Preparatory School is a small, diverse community committed to the philosophy that education is a personal endeavor. Grandview pairs timeless ethics with modern thought, personal attention with global consciousness while preparing students for college and life beyond.

School & Community

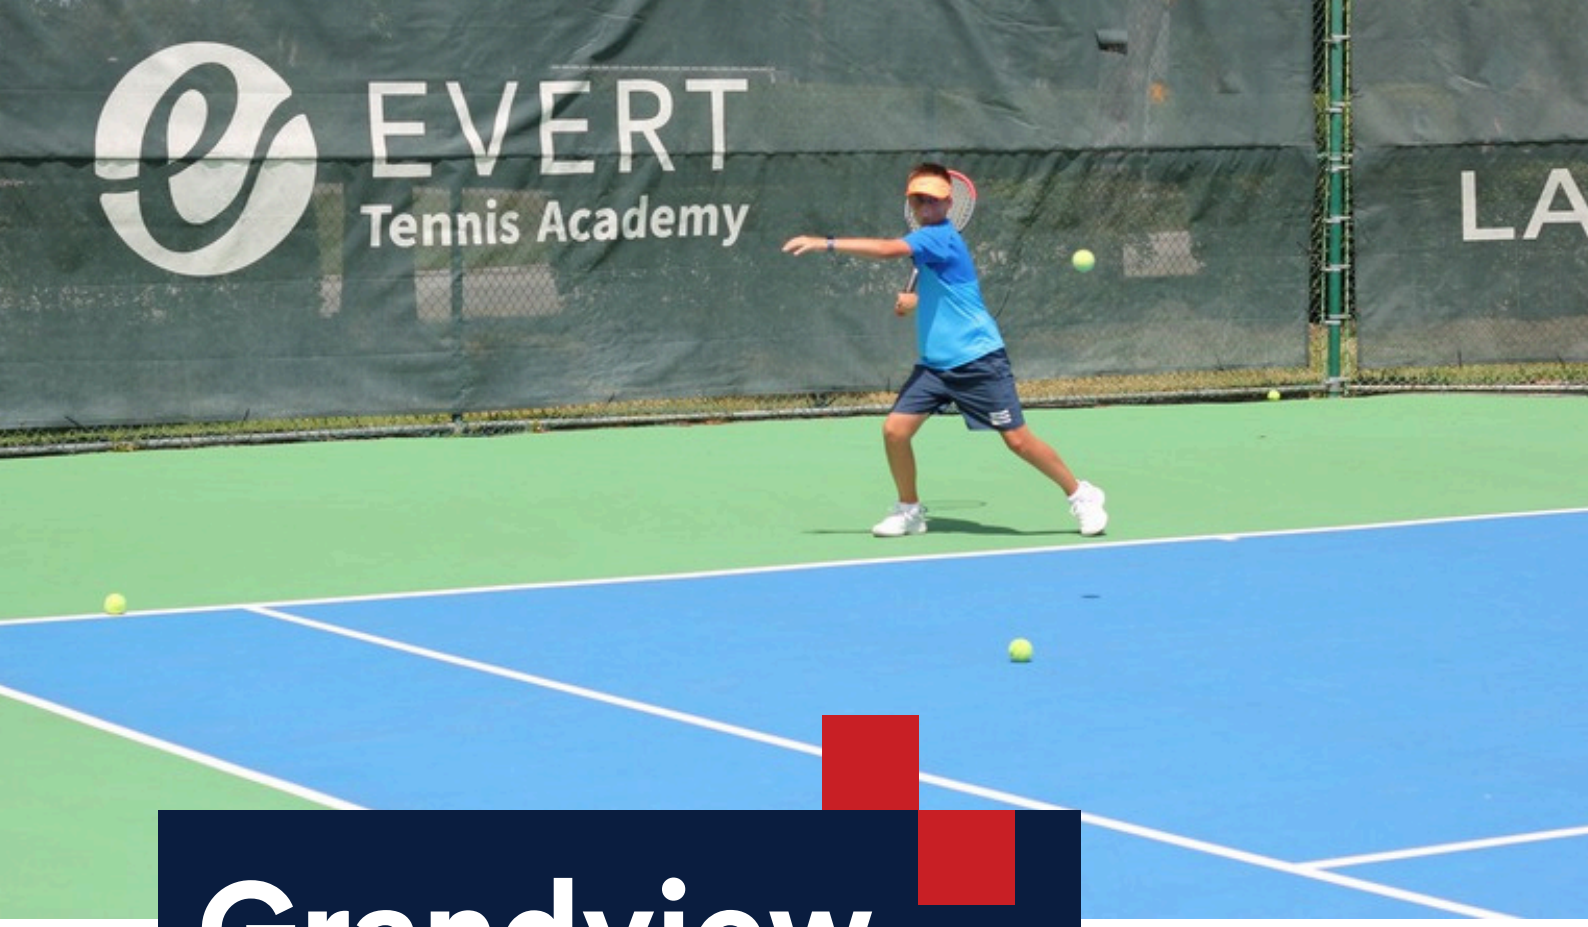

01 Grandview Preparatory School is an independent, college preparatory, coeducational day school located less than a mile from the ocean in Boca Raton, Florida.

02 Founded in 1997, Grandview is a vibrant community of learners enrolling students from early childhood (age 3) through grade 12.

03 Approximately 350 students are enrolled with 35 seniors set to graduate in Spring 2027.

04 Students experience a challenging, research-based curriculum centering on both intellectual and personal development.

05 Grandview has accreditation through Cognia, The Southern Association of Independent Schools (SAIS) and the Florida Council of Independent Schools (FCIS)

Grandview at Evert

Grandview has partnered with the Evert Tennis Academy to serve students at the Evert facility located in west Boca Raton. Students from around the world come to train at Evert and many will choose to board at the facility. Student athletes learning at Grandview's campus at Evert have the opportunity to build a customized academic schedule around the tennis practices, tournaments and private lessons. This is through a blended model of traditional classroom-based instruction for core classes and flexible online classes. The rigor of the curriculum is consistent with Grandview's main campus and students are earning the same diploma.

This accommodating well-rounded academic experience provides students with the time to develop their athletic talents to their highest potential.

While schedules may vary, a student at Evert starts their day at 7:00am. The 14-hour day includes:

- 4 hours of in-person schooling
- 4 hours of tennis
- 1.5 hours of fitness and warm-up
- 1.5 hours of mandatory study hall

The notes section at the bottom of the transcript will note if a student is attending the Evert Campus.

Graduation Requirements

01 Grandview offers 3 diploma options: **Honors, Standard and CORE.**

02 **Class rank is not assigned**. The top 2 academic achieving students are recognized as Summa Cum Laude and Magna Cum Laude at commencement.

03 **Grandview does NOT offer AP, IB, or Cambridge/AICE** courses. Students with these courses took them outside of Grandview (for example: Florida Virtual School)

Academic Programs

Cum Laude Institute

The Cum Laude Institute is Grandview Preparatory School's highest academic honor. The mission is to encourage students to pursue excellence in a context unique to the learner. Our academic team works with students to identify and cultivate talents, develop goals and execute action plans to bring ideas to life with real-world feedback and community involvement. The program includes an analysis of the student's interests and talents, evaluation of prior work, interviews, evidence of self-motivation and desired outcomes. Students showcase and publish work at events throughout the school year. As students advance through the program, experiential opportunities expand and may include apprenticeships, internships and beyond.

Students who meet all the criteria for the year earn a .5 credit Cum Laude Seminar course that is pass/fail. Seniors will earn Cum Laude distinction at graduation.
